**October 2018 School News Update**

Tel: 0161 764 7298

Fax: 0161 764 0108

**Good news !**

On Tuesday 18<sup>th</sup> September we were inspected by Ofsted. Our final inspection report was received on Thursday last week, a copy of the report will be sent home with this news update via Arbor.

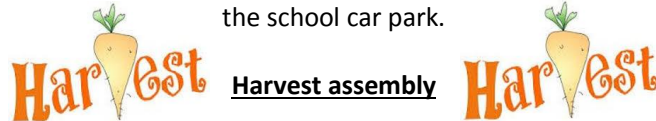

We are extremely pleased with the findings of the inspection report, which continues to judge Greenhill to be a **good school in all aspects of its provision.**

**Parking around school**

As we near the end of our first half-term, please could I remind everybody again about **considerate parking** in and around school. We remain concerned about pupil safety at the start and end of the school day.

Please could we remind everybody that the staff car parking spaces are for **staff and official school visitors only, not for dropping off / collecting pupils.** Only cars with blue badges registered with school are permitted to use the disabled bay in the school car park.

Rev. Kathy Selby from Bolton Road Methodist Church will be leading our **Harvest assembly** for our pupils on Wednesday 17<sup>th</sup> October.

We will again be collecting donations of non-perishable foods for distribution to the local **'porch boxes' charity.** If you would like to make a donation towards this collection, it may be sent to the school office between now and the morning of Wednesday 17<sup>th</sup> October.

**Cake sale – a change of date.**

The cake sale which has been planned to raise money for Macmillan cancer support will now be held after half-term, on **Wednesday 31<sup>st</sup> October between 3.00pm and 4.00pm** in the Year 6 classroom.

**Freaky Friday disco**

The Friends of Greenhill School (FROGS) have organised a **Freaky Friday school disco.** This will be taking place on Friday 2<sup>nd</sup> November in the school hall.

EYFS and Key Stage 1 : 5.30pm -> 6.15pm

Key Stage 2 : 6.30pm -> 7.30pm

**Parents Evening**

Our Autumn term **Parents Evenings are being held on Tuesday and Wednesday** next week. Appointments can be arranged online using the Parent Portal within the Arbor system.

Please try and come along as it is an important way of sharing information about how your children have settled into their new classes and how we can work together to realise their learning potential throughout the school year.
